Residents of Changli De-
clare Allegiance to
Manchukuo

PEIKING, April 17 (Monday)
(AP)—Chinese troops evacuated
Changli and the entire Chinese
force was withdrawing today to
the south bank of the Lwan river,
the retreat hurried by constant
bombing of Japanese flyers.

Japanese bombers and artillery
were reported to be leveling build-
ings throughout the area.

Residents of Changli, a city in
north China proper 40 miles south
of Shanhaiwan, were reported to
have declared allegiance to the
Japanese-adviced government of
Manchukuo.

FORMER FOLLIES GIRL IS HELD AS A FARM DRUDGE

Gendarmes Takes Her Away;
Divorced Husband Answer-
ed Call for Help

LAGNY, France, April 16 (AP)—
Mrs. Ethel Roben Coval, former
Ziegfeld "follies" girl, was accom-
panied today to this town, 30 miles
east of Paris, from the wooded home
of Rene Pettjean, by gendarmes
who went there in response to a
letter from her saying she was
unable to leave the place.

The gendarmes took a state-
ment from her in which she alleged
she was forced to be a household
drudge instead of leading an anti-
cipated life of romance.

Pettjean, whose home is near
here, also made a statement in
which he asserted Mrs. Coval was
free to leave and attributed her
allegations to hysteria.

Mrs. Coval told the gendarmes
she came to France in January,
expecting Pettjean, a former com-
mercial agent in New York City, to
marry her. She said the romance
was blasted.

Mrs. Coval is 38 years old. Her
maiden name was Roben and she
appeared in the "follies" before her
marriage.

NEW YORK, April 16 (AP)—
Charles E. Coval, editor of a mas-
sine devoted to activity on Park
avenue, said today he would forward
money to France for the return
of his divorced wife who said
she had been held prisoner on
a French farm.

Coval said he received a letter
from his former wife last Wednes-
day, in which she told of her de-
tention, and that he immediately
communicated with consular offi-
cials. He was gratified at their
prompt action.

117 Pounds of Gold Reaches Vancouver

Two Bricks From Cariboo
Quartz Company Valued
at \$28,140

VANCOUVER, April 16 (CP)—
Guarded like a potentate and
bent under weight of close to 117
pounds of gold in two bricks, Fred
M. Wells, with the first returns
from the Cariboo Quartz company's
mine near Barkerville, arrived in
Vancouver today on the steamer
Bany. Cynthus from Squamish, Po-
lice officers and detectives were on
hand to guard the treasure when
the vessel arrived. The total value
of the gold bricks is estimated at
\$28,140, contained in 1407 ounces.

AUTO BREAKS THROUGH ICE

SAULT STE. MARIE, Ont., April
16 (CP)—Arthur Parr and Peter
Perry had a narrow escape from
death today when their light car
broke through the ice of St. Mary's
river and sank. They jumped clear
of the vehicle as it went down with
200 baby chicks. The United States
small truck had crossed the ice in
the same place just three hours
previously.

CANADA HOLDS KEY TO PACTS

Looked Upon as Having
Keys to Ottawa Pacts
as Regards U.S.

LONDON, April 16 (AP).—Ad-
vocates of Empire development will
watch closely meeting of Prime
Minister Ramsay MacDonald and
President Roosevelt in Washing-
ton on the Ottawa agreements.
The British prime minister intends
to make no agreements and sign
no pacts at the Washington con-
versations, but will discuss the
broad aspects of economic and
political policy.

One of the most important of
these subjects will be the general
problem of tariffs as barriers to
world trade. There is no likelihood
Mr. MacDonald will pledge his coun-
try to return to its forsaken his-
toric position of a free trade na-
tion. On the question of high tariff
policy, however, regarding a low
tariff policy, Mr. MacDonald has his
government's authority to declare in
favor of low tariffs.

LAY FOUNDATION
The prime minister, when he
sailed for Washington Saturday, on
the Berengaria, expressed the hope
this discussion with President Roo-
sevelt would result in new ways for
cooperating in the task of freeing
the world from its distress. His
main purpose, he said, would be to
lay a foundation for the coming
world economic conference in Lon-
don.

Mr. MacDonald is expected to tell
President Roosevelt to go as far as
he likes or as far as he can with
regard to tariff. How much such
a declaration would affect the
Ottawa agreements will not likely be
determined so much by Mr. Mac-
Donald as by the forthcoming nego-
tiations between Premier R. B. Ben-
nett of Canada and the United
States president.

CANADA HOLDS KEY
Canada is looked upon as holding
the key to the Ottawa agreements
as far as the United States is con-
cerned.

The Ottawa pacts themselves con-
tain provisions for alterations, and
the Washington talks may start
the machinery going. The fact re-
mains British tariff students are
enthusiastic over the possibilities
of the Empire pact.

A score of nations have been
brought to Great Britain's door-
step to negotiate for trade agree-
ments since last summer's Empire
conference at Ottawa. Efforts over
a period of three months have re-
sulted in pacts with Norway, Sweden,
Denmark and Germany, but so far
failure has marked protracted nego-
tiations with Britain's important
Latin-American customer, Argentina.

World depression, political circles
point out, has prevented any final
test of the system of Empire prefe-
rence. Dominion purchases from
the mother country undoubtedly
have been boosted, but the Ottawa
agreements are not looked upon as
having materially boosted the gen-
eral volume of world trade. Britain,
as well as the United States, needs
such foreign trade for putting the
armies of unemployed to work.

B.C. Favored in Easter Weather

Snow in Alberta; Cool Weath-
er in Saskatchewan and
Manitoba

WINNIPEG, April 16 (CP)—West-
ern Canadians today found it diffi-
cult to snatch a few moments of
sunshine for their Easter parade.
Snow in Alberta and intermittent
showers in Manitoba and Saskatch-
ewan left British Columbia the
only province with anything like
spring weather.

SAFE CRACKER TRIES SAW SAFE AT CRESCENT VALLEY

A safe-cracker or safe-crackers
made an ineffectual attempt, in the
early hours of Saturday morning,
presumably, to open the new and
modern safe of Robert J. Cunning-
ham, Crescent Valley general mer-
chant and postmaster, but succeeded
only in damaging the exterior of
the safe. A hack-saw was among
the tools used.

Entry was gained by breaking a
small hole in the glass of the en-
trance door and sliding back the
bolt.

Mr. Cunningham locked up the
store at 10 o'clock Friday night,

MACDONALD TO MEET HERRIOT AND BENNETT

Skelton Boards Berengaria
for Canada

AS. BERENGARIA. En route to
the United States, April 16 (CP)
and cables)—Premier Ramsay Mac-
Donald, crossing the Atlantic to
engage in conferences with Presi-
dent Roosevelt at Washington, at-
tended Easter services this morning
aboard this vessel.

He arose earlier than most of the
other passengers and walked about
the deck with his daughter, Isabel.
Afterward he spent several hours
working with the experts who are
accompanying him.

It was announced that a meeting
has been arranged between the pre-
mier and former Premier Edouard
Herriot, who will represent France
in the international conference, in
Washington on April 24. A meeting
also has been arranged between Mr.
MacDonald and Premier R. B. Ben-
nett of Canada at Washington.

O. D. Skelton, Canada's under-
secretary of state for external af-
fairs, boarded the Berengaria when
it touched at Cherbourg, France.
Mr. Skelton is returning home to
Ottawa upon conclusion of the de-
liberations of the committee for
Imperial cooperation. But his stay
in Ottawa may be brief, for it has
been suggested he might accompany
Premier Bennett to Washington for
the economic conversations.

TRAIN DECAPITATES FARM HAND

KITCHENER, Ont., April 16 (CP).
—Struck by the only train to pass
over the tracks in months, George
McTavish, 23-year-old Linwood farm-
hand, was instantly killed today near
here. A special Canadian Pacific rail-
way export wheat train decapitated
him.

DEER INTERFERE WITH TRAFFIC

MISSOULA, Mont., April 16 (AP).
—Milwaukee Railway train crews re-
port deer are interfering with traffic
through the St. Regis River canyon
in Mineral county. They say it has
been necessary to stop trains and
shoot away the animals. Some of them
have been killed.

SNOW COVERS ALBERTA AREAS

Varying Depths Up to 15
Inches; Farmers Pleas-
ed; No Damage

CALGARY, April 16 (CP).—
Central and Southern Alberta Ag-
ricultural tonight were broad smiles
as thousands of acres of farm land
were blanketed with a heavy snow-
fall, varying in depth from a few
to 15 inches.

In Calgary, farmers were the order
of the day. Farmers were put away
to await brighter weather. Street
car service was maintained with
difficulty and other vehicular traf-
fic was virtually at a standstill
because of the heaviest snowfall
of the winter—13 inches.

Starting in around 6 o'clock Sat-
urday evening, the storm was con-
tinuing unabated tonight. It extend-
ed almost across the province, driv-
ing eastward toward Saskatchewan.
Northern limits were Olds and
Drumheller and snow was reported
as far south as the International
boundary, the storm reaching the
Lethbridge district tonight.

NO DAMAGE
High temperatures and lack of
wind saved telephone and telegraph
services from the heavy damages
suffered in the storm which swept
the province exactly a year ago.
Snow plows operated in Calgary all
week-end but no reports of damage
were received up to tonight. Weight
of the soft snow on evergreen trees
snapped branches.

The storm started in the Rocky
mountains and spread eastward. No
snow had occurred in the Medicine
Hat area although reports from the
eastern Alberta point said the sky
was cloudy and snow indicated.

BESSBOROUGH MAY VISIT B. C.

OTTAWA, April 16 (CP).—Plans
for two lengthy tours during the
summer are being made by their
excellencies the Governor-General
and Lady Beesborough. If circum-
stances permit they hope to visit
both the Peace River district of
northern Alberta and British Co-
lumbia in the west and Nova Scotia
in the east.

BLIND RIVER HOPES FOR POWER SOON

BLIND RIVER, Ont., April 16. —
(CP).—Blind River, without power fa-
cilities since flood and ice carried
away nine power poles Thursday last,
expects service will be resumed on
Wednesday when two 60-foot towers
are completed and power lines again
strung.

HITLER PROPAGANDA SWEEPING GERMANY HAILS RENAISSANCE

Photographs of Chancellor and Nazi Emblems Are
Displayed Among Easter Presents;
"Hitler Uber Alles"

In view of conflicting cable reports from Germany, George
Hamblenton, European staff correspondent of the Canadian Press,
was instructed April 5 to go to Berlin and report the situation as
he saw it without fear or favor. He has now returned to London
and the following is the third of his cables.—The Canadian Press.

By GEORGE HAMBLETON, Canadian Press Staff Writer
LONDON, April 16 (CP cable).—From Poland to the Rhine, Hitler
propaganda is sweeping through the new Germany. Photographs of Chan-
cellor Adolf Hitler and Nazi emblems are displayed among Easter presents.
Nazi speeches are broadcast to
the Nazis in Austria, who became
obedient after the rise of Hitler.

A Cologne paper describes how,
down in the Rhineland, local Nazis
called school teachers together and
told them how the Hitlerized youth
should be taught. "There is to be a
celebration later," the paper quan-
tity adds, "to which both teachers
and scholars will be invited."

Even the Deutschland Uber Alles
appears in a revised version. The
new lines, translated, run:
"Germany above everything, 'above
everything in the world."

PROSECUTOR CLOSES CASE ON BRITISHERS

Defence Sums Up Case To-
day and Defendants
Voice Their Pleas

EXPECT VERDICT
POSSIBLE TUESDAY

Soviet Considers Bribery
Worst Crime; Publish
Ovey Conversations

MOSCOW, April (CP cable).—
Prosecutor Andrey Vishinsky to-
night wound up the Soviet's case
against six British electrical en-
gineers on trial for alleged es-
pi-nage, sabotage and bribery in
connection with Russia's indus-
trialization program by reading an
English dictionary definition of
the word "espionage."

Tomorrow the defence will begin
summing up its case and the six
defendants will be allowed to
voice their pleas before the court.
A verdict is expected Tuesday or
early Wednesday.

BRIBERY WORST CRIME

From the standpoint of the So-
viet court, Vishinsky said, the
charges of bribery were the most
serious against the prisoners. He
declared Allan Monkhouse, Moscow
director of the Metropolitan-Vickers
Electric company in which all the
defendants are employed, could not
explain a matter of 3000 rubles
given to a man named Doloff.

"Maybe English engineers think
giving a small present does not
constitute bribery," Vishinsky con-
tinued. "It is bribery even under
Russia. It is bribery even under
English law. Monkhouse and Thor-
nton (L. C. Thornton, one of the
accused engineers) know they would
be punished severely for bribery."

VASCO FAMILY DISAPPEARS

Fled to Escape Operation
on Child

HASTINGS-ON-HUDSON, N.Y., April
16 (AP).—Neither police, relatives
nor friends had been able tonight to
find a trace of John Vasco and his
family, who vanished from their
home Saturday while a court-por-
eared the strange case of a two-year-
old child, Helen Vasco.

The child is doomed to an early
death, physicians have said, unless
a malignant tumor is removed from
her eye. A Westchester county chil-
dren's court ordered the operation
performed, the case was appealed,
the order was stayed, and the appel-
late division of the supreme court
is preparing a decision.

Mrs. Vasco has opposed the op-
eration plan, declaring Helen's fate
should be left "in the hands of
God."

Dismisses Ferguson Action With Costs

VANCOUVER, April 16 (CP).—
Following trial in supreme court, Chief
Justice Morrison dismissed with costs
an action of Andrew Ferguson, miner.
Commercial drive, suing on behalf
of himself and minority shareholders
of Pioneer Gold Mines, Ltd. to set aside
the acquisition of their interest by
various defendants.

The transactions in question oc-
curred nearly 10 years ago. Pioneer
Gold Mines of B. C. Ltd., which took
over the property in 1928, was not
involved in or affected by the case.

C.P. Gets Membership in Colonization Group

MONTREAL, April 16 (CP).—An-
nouncement was made here Sat-
urday an application of the Canadian
Pacific Railway company for mem-
bership in the Colonization Finance
Corporation of Canada, Limited, had
been accepted at an executive meet-
ing of the latter organization in
Toronto.

Entrance of the railway as a mem-
ber company carries with it oppor-
tunity of placing a limited number
of land contracts requiring closer
supervision and farm management
in Manitoba and eastern Saskatch-
ewan under the management of the
Colonization Finance corporation.
The corporation was organized some
five years ago to cooperate with
the western farmer in overcoming
difficulties with which agriculture
had had to contend in recent years.

McLEOD TO RUN FOR VACANCY

ESTEVAN, Sask., April 16 (CP).—
Norman Leslie McLeod, who in 1930
contested the Estevan seat, will
again be the Liberal candidate in
the coming provincial by-election
here. Saturday afternoon Liberals
unanimously nominated Mr. McLeod.

THEFT VICTIM ABLE TO STAND ONLY SO MUCH

RIO DE JANEIRO, April 16 (AP).
—Andrew Johns, shoe manufac-
turer, held his temper when a
collector, Emmanuel Salomao, ab-
sconded with approximately \$1000,
but he complained vehemently to
the police when he received a post-
card from Salomao at Genoa, Italy,
telling him of the good time he
was having on the money.

FEAR SAFETY TWO AVIATORS

Lancaster Believed Lost
on Sahara; Robiano
Unreported

LONDON, April 16 (CP cable).—
Fears were felt tonight for the
safety of two brilliant aviators
flying from England on separate
long distance flights.

It was believed Captain William
Lancaster, bound for Cape Town,
had lost his way in the Sahara.
The Italian airman, L. Robiano,
attempting to make Australia, was
believed to have been forced down
in a remote part of Burma.

A message received at Algiers,
Algeria, from Gao, where Lancaster
planned to stop after leaving Be-
gan, Morocco, raised the fear the
Briton had lost his way while fly-
ing over the broad Sahara. When it
became apparent Lancaster was
many hours overdue at Gao, motor
cars were sent out to search the
sand wastes. But the hunt had not
proved fruitful up until tonight.

DARKNESS APPROACHING

Lancaster left Beigan last Wednes-
day night, insisting on continuing
despite approaching darkness.
Word came from Beigan, Burma,
that Robiano had not been reported
since he left Calcutta at 10:30 p.m.
Friday for Victoria, Burma. Flying
conditions have been extremely bad
with rain, wind and severe thunder-
storms heralding the approach of
the dreaded monsoon.

JEAN BATTEN SMASHES AGAIN

Cracks Plane Second Time
in Three Days

KARACHI, India, April 16 (CP
cable).—Jean Batten, 35-year-old
New Zealand girl attempting a flight
from England to Australia, cracked
up her plane here today and was
brought in suffering from bruises,
stains and exhaustion. It was her
second accident in three days.

Mrs. Batten had taken off from a
field near Batuchi village after fit-
ting a new propeller to her small
biplane, replacing one damaged in
a forced landing. Engine trouble
forced her down and the little ma-
chine glided into a stone fence.
The plane, formerly owned by the
Prince of Wales, was badly damaged,
but Mrs. Batten was not seriously
hurt. She did not say whether or
not she intended to continue.

AUTO RACER IS KILLED IN SMASH

Robert Carey Hurtled 30 Feet
in Air With Machine

LOS ANGELES, April 16 (AP).—
Robert Carey of Anderson, Ind.,
American automobile racing cham-
pion in 1932, was killed today on
the Ascot speedway while prac-
ticing for the 62 1/2 mile featured
event of today's program.

Anderson's machine, going at
terrific speed, rammed through a
guard rail and was hurled 30 feet
into the air. Examination of the
wrecked car revealed, track offi-
cials said, Carey's foot throttle
had jammed.

STILL RECOVERING BRITISH DEAD

LONDON, April 16 (AP).—The
annual report of the Imperial War
Graves commission reveals the bodies
of Great Britain's war dead are still
being recovered at the rate of 800
a year from the battlefields of the
Somme area alone.

FALLING TREE IS CAUSE OF DEATH

VICTORIA, April 16 (CP).—Struck
a glancing blow on the head by a
tree which he was felling at the
Milligan Lumber company's holdings
in the Jordan River district Sat-
urday, Eric Anderson suffered a frac-
ture of the skull and died in hos-
pital here late last night.

MISSING SINCE
LAST THURSDAY

Note Received by Police
May Be Work of Mor-
on; Redouble Search

VANCOUVER, April 16 (CP).—
That Stewart Ashley, 19-year-old
school teacher, missing from his
home here since Thursday, was
kidnapped and was being held for
ransom under threat of death by
his abductors, was indicated to-
day when his father, D. T. Ash-
ley, residing at 425 West Tenth
avenue, received a note demanding
\$5000 for the return of his son.
The note said: "Get \$5000 by
April 20 or your son will die.
You will hear again on the 18th."

Young Ashley was last seen at 10
o'clock Thursday night when he left
the Y.M.C.A. headquarters, Cambie
street to take a street car for his
father's home where he lived.

According to the father of the
missing youth, the note he received
was written with a typewriter on a
piece of plain note paper. A wrong
address had first been written, then
scrapped out and the proper address
given. "The writer had evidently at-
tempted to disguise the message by
wrong spacing of letters and super-
imposing letters in some instances.
No signature was attached to the
message."

IDENTIFY DOE WITH STEVEDORE THEFT

Company Paymaster Picks
Him Out of Tacoma
Lineup

VANCOUVER, April 16 (CP). —
Wallie Doe, alias Wallace, alias
Jackson, arrested with five other
men by police in Washington and
Oregon, was identified at Tacoma,
Wash., today as one of the two
bandits who held up the paymaster's
staff of the Empire Stevedoring
company, here, on April 7 and es-
caped with a payroll of \$7000. Carl
Brehan, alias "Boss," who was
identified from photographs here
Friday as one of the bandits, was
not picked out by witnesses at the
Tacoma line-up.

The identification of Doe was
made by Percy Thompson, paymaster
of the stevedoring company, who
with two assistants faced the band-
its' guns and was obliged to turn
over the company's payroll to them.
Behan's photograph was picked
out by H. Drinkwater, company em-
ployee, and Col. R. D. Williams, har-
bor commissioner here, who came
on the scene of the robbery and
under the threat of the gunman's
weapons.

The six men in custody at Tacoma
are charged with a payroll robbery
there on March 18, when \$4500 was
taken.

Word of the identification of Doe
was sent here by Chief of Police
John Cameron, who with Detective
J. Morrison, escorted the witnesses
to Portland, Ore., and Tacoma.

Kidnappers Want \$100,000 for Youth

Factor Calls in Aid of the
Underworld

CHICAGO, April 16 (AP).—John
(Jake) Barber, Factor tonight
was reported to have appealed to
the craft and power of the un-
derworld to assist him in efforts
to secure the return of his kid-
napped son Jerome, 17.

Reporters stationed at the hotel
suite where the internationally
known speculator was in seclu-
sion, said that Factor and his
associates conferred with Mur-
phy and Joe Fusco, titular
heads of the Capone gang, ap-
parently seeking their aid to con-
tact the abductors.

Jerome, a Northwestern university
student, was kidnapped Wednesday
night and Factor said \$100,000 in
ransom had been asked, a sum he
said he was unable to pay.

Two ransom notes were received
from his home where he lives with
his mother, Factor's first wife.

SEEK HIGHER SAYS RECTOR

Archdeacon Counsels to Use Lifting Power of Christ

From Saint Paul's adjuration to the Colossians, "If ye then be risen with Christ, seek those things that be above," Ven. Archdeacon Fred H. Graham preached a powerful Easter sermon in St. Saviour's cathedral.

Declaring that men often stultified their intellects, turning them to

low objects, the speaker characterized the intellect that was devoted to infidelity as to just as "the world's worst rottenness."

Long ago, he said, mankind had come to understand the source of life-giving power. It had always been recognized—unfathomable minds of the latter days had sought to counteract the idea, which conflicted with their philosophy—that the resurrection of the Lord Jesus Christ was the power that would guide men into understanding and truth.

More than the whole realm of literature, more than all the achievements of science, more than any other field of knowledge that could be named, the fact that Christ was risen was a source of power.

BOOTSTRAPS NO GOOD

In counselling the church at Colossians, "If ye then be risen with Christ, seek those things that be above," the apostle did not mean things that were beyond or out of reach, Archdeacon Graham pointed out, but those that could be attained by using this spiritual power. Vain was the effort of man

to raise themselves by their own bootstraps, but never in vain was that of the man who sought to invoke the power of the risen Christ to lift him.

There was another and a deeper truth, he said, and that was that the power of the resurrection was the consummation of the life of the affections, it was the lamp that burned through the darkness amid sorrows and emotional gloom, the light that guided, and the star that shone.

Christ's followers were crucified with Him—they placed their temptations and their failures on the cross and carried it—and they were buried with Christ in baptism. Archdeacon Graham said he didn't know much about the Oxford Group, but he knew that telling his sin to someone else wasn't going to bring him down from the cross. The power of Christ was his seed, in the power of that crucifixion, Christ's followers were risen with him.

When one's footsteps faltered then was the time to press on the most steadily. Affections, sorrows, the dear faces held in memory—they were all there, not lost, for the Master had said:

"Seek and ye shall find," was one of Christ's promises. The life was dreary and the heart was sad that hadn't that faith. These consolations were to be hugged to one's heart.

FACULTY OF WILL

The power of will the preacher described as the supreme faculty with which God endowed man. "Lord, I will follow thee whithersoever Thou goest," illustrated this faculty of choice. "How far have you consecrated your will to the best?" asked the speaker.

If tempted to say things that smarted, hurt, bemiscred, befuddled, vulgarized, answer, "I will not say those things." On the contrary, say such things as be of good report, he counselled. Do those things, he advised, that tended to a fulfilment of Christ's life.

Easter lilies and daffodils used in decorating the church were contributed by 19 members of the congregation in commemoration of loved ones who had gone before.

Message of Cardinal Villeneuve Is Faith Celebrates Pontifical High Mass

By H. ROONEY PELLETIER
Canadian Press Staff Writer
QUEBEC, April 16 (CP)—In the quiet, marble and gold church on the boulevard of Quebec's ancient promontory, where in 1608 Mathurin Villeneuve married Jeanne Chausse and became the founder of the Villeneuve family in Canada, Cardinal Jean Marie Rodrigue Villeneuve today celebrated pontifical high mass. As Canada's fourth cardinal, he delivered his first official message to all Canadian Roman Catholics since his elevation to the cardinalate, in Vatican City, on March 13.

In an atmosphere of awe and devotion, filled with the fragrance of incense and the basso profundo of the organ, the former archbishop of Gravelbourg officiated at the impressive ritual that is a pontifical high mass.

From the front pews clerical and lay officials, representatives of governments, the bench, the bar and the professions followed his every move. A gray-haired man and a little old lady sat partly concealed by a column. They were the cardinal's cobbler father and his mother.

The cardinal's high clear voice rang out from the pulpit. He spoke a message of faith.

Bride-Elect Honored By Creston Friends

CRISTON, B. C., April 16.—The girl friends of Miss Edith Crawford, a late April bride-elect, honored her at a cup and saucer shower on Thursday evening. The delightful affair was sponsored by Misses Ivy Holmes and Marion Lamson of the public school teaching staff, it was held at the home of the latter. Bridge and the high score prize was contested by Miss Irene Labelle, while the consolation honor was won by Mrs. W. H. Fortin. The guest was the recipient of a charming collection of china ware for which she suitably thanked the donors. Lunch was served at the close of the car play.

Mr. and Mrs. Middleton and family, who came here from Nelson about two years ago, occupying the house of the Murrell-Keddie place, have left for Winnipeg, where they will make their home in future.

Mrs. F. H. Ross and daughter, Miss Margaret have left for their former home at Granum, Alberta, where they will visit with friends for a few weeks.

Alex. Henderson, who has been taking a business course at Vancouver is home to visit with his parents, Dr. and Mrs. Henderson.

Mrs. F. John arrived from Kimberley on Thursday to join her husband, C. John, at the office staff of the West Kootenay Power & Light Company, and have taken up housekeeping in the former residence of Mrs. McDonald, at the north end of town. Announcement of their marriage, which took place here on March 7th, was made public last week.

Mrs. Dunc. Weston and daughter, Eileen, are home from a two weeks' holiday visit with the former's sister, Mrs. John Lorenzo, at Yakk.

Mr. and Mrs. John T. Vance spent a few days this week at Kimberley, where they were guests of their son, Clifford.

N. G. Smith was renewing acquaintances in Cranbrook during the week.

School closed for the Easter vacation on Thursday afternoon, but with the exception of Miss Hobden, who is at Cranbrook, the staff will be remaining in town for the 10 day holiday. Enrolment in the six rooms at the public school for March was 208, which is slightly less than in February.

A. E. Ness left on Friday for Calgary, where he will spend the Easter weekend with old friends.

Adam Robertson, principal of Sirdar public school, is here for the Easter holidays with his uncle, S. A. Speers. Notwithstanding the decline recently in C. P. R. employment at that centre, the Sirdar school still boasts an enrolment of just 30 pupils.

MONTREAL BIKE RACE GETS AWAY

Famous Red Devils Are
Favorites

FORUM, Montreal, April 17. (Monday). (CP)—Sharp at 11:30 a.m. this morning Mayor Fernand Robit, M.P., fired two starting pistols and 13 teams were off in quest of victory and first place money in the eighth semi-annual six-day bicycle race here.

Before the race the 26 men circled slowly around the oval wooden bowl, carrying their national emblems while brass bands played out Italian, Belgian, French, German, United States and British national anthems.

Favorites as the race swept away to a brisk start was the brilliant Red Devil team of Alfred Letourneur, France, and Gerard Debaets, Belgium. Winner during the past few weeks at both New York and Boston, the pair was making its Canadian debut.

Board of Eugenics Takes Control July 1

Will Be Voluntary Board

VICTORIA, April 16. (CP)—British Columbia's board of eugenics, to be created under the sterilization act, will assume control of its duties when the statute comes into effect July 1. It will be a voluntary board composed of a member of the judiciary, a psychiatrist and a social service worker yet to be named who will serve without remuneration.

The duties of the board will be to pass upon recommendations from superintendents of any provincial mental home or industrial school, where it is suggested that hereditary mental deficiency or serious mental disease may be passed on to successive generations without interference.

If the consent of the patient or a guardian is obtained the board may order application of the statute in such case, first holding individual investigation into the case. Where consent is withheld, the operation would not be proceeded with in any case. The cost would be borne by the institution concerned and choice of a surgeon would be made.

Between 2,500 and 2,800 patients are cared for in British Columbia mental institutions at present which represents a considerable increase during the past 10 years. Gross expenditure for the year ending March 31, 1932, was approximately \$1,020,000.

Radio Engineer Is Club Speaker

An interesting technical lecture was delivered at the regular meeting of the Nelson Amateur Radio society last night by W. H. Harnelting, chief technician, Radio Engineers of B.C. Kamloops branch. Mr. Harnelting described how it is now possible with the type -58 tube to control tone simultaneously with volume, eliminating the necessity of manual tone control on the modern radio and resultant improper use by the listener. A. J. Paishan, WJY, Pasadena, Calif., was a visitor to the club. Mr. Paishan ventured some interesting comments on amateur radio conditions in the United States as well as describing many highlights of his experiences in amateur radio during the past several years.

BRIDGE AIDS THE CRESTON BALL FUND

CRESTON, B. C., April 16.—Creston's second baseball team was fully organized last week. It is the intermediate, who figured as the second Creston team in the 1932 international league. Harold Bringer, was named president, with Syd Cook, secretary, treasurer, and Cam MacDonald, manager. On Thursday evening the club put on a bridge drive to secure funds to purchase some required new outfit for the 1933 season. The affair was quite well attended with the high score prizes made by Mrs. Roy M. Telford and George Connolly, and the low score was Mrs. James Carr and L. Couling. A committee of the intermediate players took full charge of the evening, including the serving of a very substantial lunch at the close of the evening. Practice will commence as soon as the grounds committee announce the evenings the diamond will be available to the local baseball and softball teams.

CRESTON EXPECTS LIGHT BY OCTOBER

CRESTON, B. C., April 16.—Capt. R. P. Brown, of the engineering staff of West Kootenay Power & Light Company Limited, at their development of Goat River canyon, has just left for his home at South Okanagan. For the past three weeks he has been in charge of a canvass of the householders in the Canyon City, Erickson, Easter Creston, Alice Sliding, Wynndel and Sirdar areas to ascertain what users there are likely to be for the company's "juicy," and reports that he was unusually successful in signing up residents in these rural areas. It is understood the company offered terms in connection with the wiring whereby those who desire could spread the payments over a term of two years, while the prices quoted on installation work were most attractive. No definite date was set for the delivery of the light but every effort will be made to have the white light ready for distribution at a date not later than the end of October or early in November.

Flagellants Hold Weird Ceremonies in Colorado Rites

Beat Themselves Unmercifully With Whips in Procession to Cross

DENVER, Colo., April 16 (AP).—The Holy Zeal of the Penitents was splashed in blood on jagged rocks in the wilderness of southern Colorado and northern New Mexico today as their weird Lenten ceremonies were climaxed.

As Easter's sun struck glory to the towering Sangre de Cristo to the Rocky mountains, this strange cult that has kept a foothold among the Indians in the western United States for 150 years, concluded 40 days of penitential worship in secret mountain fastnesses.

Known as the "Association of the Blood of Our Christ," the men of the Penitents meet every other Friday during the 40 days of lent in an isolated spot or in a sequestered adobe hut. There, before rude altars, prayers are said and offerings of miniature images of saints are brought.

WHIP UNMERCIFULLY

Stripped bare to the waist and wearing only cotton trousers, the men whip themselves unmercifully with flails made from flint-cut blades of the soapweed. Often they scourge their backs with broken glass before beginning flagellations.

On these Fridays they march in procession to a cross, set on a hill hundreds of yards away. They take three steps, kneel, and whip themselves three times, repeating until they arrive at their goal. There they kneel again and pray before returning to the original spot in the same manner.

On Good Friday the strange Christians choose the holiest of their number to carry a heavy cross to a designated site. He represents the Saviour.

Bearing the cross and wearing a crown of prickly pear cactus, his feet hampered by heavy chains, the "favored" brother starts his tortuous journey to the selected Calvary.

He falls three times before reaching the designation and is scourged each time until he rises.

When the trip is concluded, the bearer of the cross is hoisted to his knees and tied there with heavy ropes. In the past these men were left "crucified" for hours, sometimes to die. Now they are removed after a short time and revived.

San Antonio Makes Net Profit of \$69,733

TORONTO, April 16. (CP).—Annual statement of San Antonio Gold Mines Ltd., showed a net profit of \$69,733 in the year ending December 31, 1932. Operating profit was \$138,117, with other income of \$610, making a total income of \$1,048,777.

Gold production for the year totalled \$250,229 with \$3,863 additional premium received.

Earnings during 1932 represented slightly more than three cents per share on 2,281,302 shares out of 2,500,000 total share capital.

Fond weeds, wild celery and wild rice were the important natural foods of wild ducks.

W. H. Herchmer Is Laid at Rest

CRANBROOK, B. C., April 16.—The funeral of W. H. Herchmer, well known barrister of East Kootenay, was held from Christ church at 2:30 on Saturday afternoon. Rev. F. V. Harrison officiating. Mr. Herchmer died at the St. Eugene hospital on Wednesday, having been a sufferer from cancer for several years. About a year ago he was forced to give up his position as crown prosecutor.

Mr. Herchmer was born in Kingston, Ontario, in 1865. In 1887 he graduated from St. John's college in Winnipeg and commenced the practice of law in that city. Later he practised in Morden, Manitoba, and came into partnership with the late W. R. Ross at Port Steele in 1897. The firm moved to Fernie, where Mr. Herchmer practised until he opened his Cranbrook office about ten years ago.

He was married in Fernie in 1903 to Miss Jean MacDonald. He is survived by his wife and two daughters, also one son. He has a brother Lewis Edgar in Kimberley and a brother, Sherwood of Fernie, also a sister, Mrs. Strang of Edmonton.

He was a son of the late Colonel Herchmer, well known officer of the Royal Canadian Mounted in the opening up of the west.

MORE ABOUT MOSCOW TRIAL

(Continued From Page One)

Bribery is the most serious crime from the Soviet standpoint," he said, "that the Soviet employees deserve more serious penalties than those of foreign firms." Elsewhere in his address, however, he gave the exact opposite impression.

Scathingly attacking the 11 Russian prisoners as traitors, Vishinsky maintained that "subject as is the crime of L. G. Thornton and Allan Monkhouse, I have no word to depict the attitude of the prosecution toward those who betrayed their native land."

Monkhouse, ranking member of the Metropolitan-Vickers firm in Russia, was depicted by Vishinsky as trying "to represent that we are attacking the Metropolitan-Vickers company."

The prosecutor maintained there was no claim against the British firm "as a company" and added that "Monkhouse is here as a man accused of a crime and not as a representative of Metropolitan-Vickers."

Starting the prosecution's representation shortly after the opening of the night session, Prosecutor Vishinsky opened his remarks with what appeared to be a typical Communist political oration.

"Our enemies forget the sovereignty of the Soviet union and attempted to exercise moral pressure on us," Vishinsky asserted. "They are hysterical and have lost their self-control. But they must understand that the Soviet Union is not a demand of Imperialists has met resistance from a country of free peasants and workers founded on the supreme October revolution and led by the Communist party."

With the trial entering its final stages, the Soviet organ Ivestia today published the alleged texts of three conversations between Sir Edmund Over, recalled British ambassador to Moscow, and Maxim Litvinoff, Soviet commissar of foreign affairs.

HUNDREDS SEE COLORS COME

Placing Demonstration
All Saturday, Also
Sunday Morn

How many hundreds of men watched or participated in the all-day placing demonstration Saturday, at Ootonwood Falls, or at its continuation Sunday morning, is more matter of conjecture, as individuals and parties were coming and leaving, sometimes in streams, all the time.

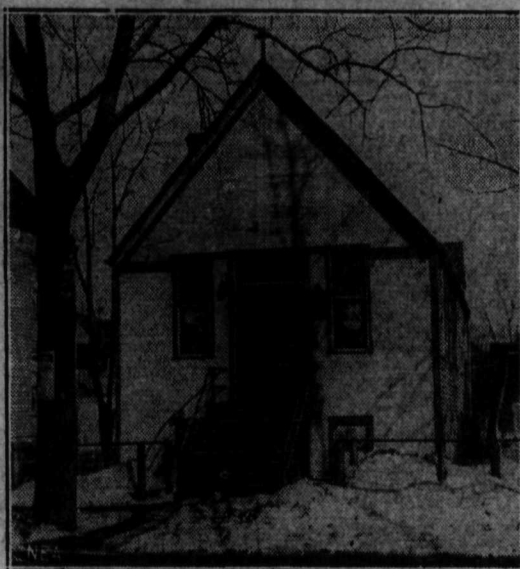

Saturday morning the crowd at one time numbered at least 200 individuals. Generally speaking there were two crowds, one watching the operation at the sluice-box and another surrounding Government Agent John Cartmel while he squatted down and showed how to separate the heavy magnetic black sand from the supposed gold, which it resembles in weight.

The sluice-box Saturday was located east of the main creek, the water being flumed by pipe from a small branch stream. Sunday, when the city relief crews were free to attend, the sluice-box was on the west bank. The rocker was also used, and demonstrations were given of panning.

Some actual "colors" were obtained from the earth and gravel composing the bank of the stream.

ing, but Government Agent Cartmel, with his 10 years placing experience in the Yukon, was the outstanding figure, with his illustrations of how to recover gold. Mining Engineer Thomas Brown, and various old placer miners, including Ben Stone, J. C. Riley, and Nap Mallett helped with the work.

John Speer, who constructed the sluice-box according to Mr. Cartmel's plans, was also in the picture. Probably 400 or 500 men paid a visit to the demonstration at one stage or another. The equipment is being left on the ground for a few days for inspection or use by those interested.

CHOIR PRESENTS EASTER MESSAGE

Trinity United Church Congregation Enjoys Musical Treat

The story of the crucifixion of Christ was beautifully presented in song at Trinity United church Sunday evening in connection with the Easter services there. The cantata "Crucifixion" by Stainer was wonderfully interpreted by the senior choir of 28 members. The church was crowded. Solo parts were ably handled by A. A. Pagdin, J. P. Piller, Art R. Stinger and Wilfred Webster. H. Willits presided at the organ and the choir was led through the delicate details by F. L. Irwin, choir leader.

Following the presentation of the cantata, Rev. W. C. Mawhinney offered thanks to the choir members for their able performance and expressed pleasure that the church had an organization that could deliver, so realistically, the Easter message of the crucifixion.

At the morning service, which was Easter in character, Mr. Mawhinney took as his subject, "An Easter Message". The Treble choir presented Easter music.

Subject Is "Doctrine of Atonement" at Nelson Church

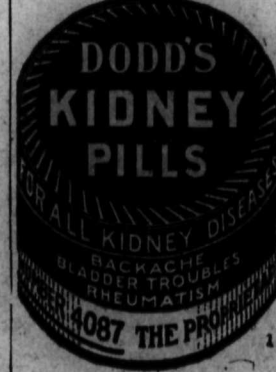

The subject of the Lesson-Sermon in the Christian Science church on Sunday was "Doctrine of Atonement."

One of the Bible texts was Hebrews 12: 11—"Now no chastening for the present seemeth to be joyous, but grievous; nevertheless afterward it yieldeth the peaceable fruit of righteousness unto them which are exercised thereby."

The Lesson-Sermon also included the following passage from page 10 of "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Every pang of repentance and suffering, every effort for reform, every good thought and deed, will help us to understand Jesus' atonement for sin and aid its efficacy."

THE SINK

For sterilizing the sink use a solution of chloride of zinc, which can be purchased at any drug store. Use one pint to two gallons of water and pour through the pipes every week or two.

DERAILMENT ON WEST ARM

Auxiliary Replaces Rolling Stock; Express Delayed

Boulders rolling down upon the track on a curve 10 miles east of Nelson, derailed the engine and two cars of a westbound Canadian Pacific freight train about 6 o'clock Saturday morning, the curve hiding the slide from the view of Engineer, George Turner, who however was running slowly.

There was no damage to the rolling stock, and the auxiliary from Nelson replaced it on the track, after removing the boulders.

The westbound Kootenay Express arrived at Nelson three hours late through being held up while the line was being cleared.

BEARS STAYING NEAR THE SLIDE

Staying almost continuously in the screen of brush, the black bears on the face of Granite mountain, however, showed themselves once in a while both Saturday and Sunday. Early each morning the animals were seen on the slide east of Pulpit Rock, and Saturday afternoon they were said to have worked to the westward of the rock. Apparently the patch of bushy meadow just east of the slide just suits them in their present state of slim appetite following hibernation.

WARM CHIMNEY CAUSES ALARM

Over anxiousness about a warm chimney and heavy smoke rolling from it prompted a call for the fire department to the Bethel Tabernacle, Baker street, late Sunday afternoon. It was the second call within eight hours, the department being called to the home of L. M. Varner in the morning.

CELTIC WINS SCOTTISH CUP FOR 14TH TIME

Break Ball Gives the Winners 1-0 Victory Over Motherwell

Game Was Even Until the Break

2,000 See Game; McGory Scores After Ball Rebounds Off Player

GLASGOW, April 16.—(CP cable)—More than 100,000 persons who didn't mind the rain saw the Celtic take the Scottish football association cup on Saturday by out-kicking Motherwell in a battle of spotty soccer in a grassy field.

Celtic gathered the laurels for the 14th time on a freak play. The right half of the Celtic team, Jack McGory, Celtic's leading sniper, and McGory lost no time in shooting it past the beleaguered McGory in Motherwell's goal.

Motherwell were considered underdogs, but Celtic had the breaks and made the most of them.

Two years ago they crashed in the final, and the game was drawn, Celtic winning the replay. In the game this year they have been even.

NEW UNTIL BREAK
And they were even Saturday until the break came. The teams were evenly matched at the start and in falling intermittently made the game slippery. Even with the handicap, the soccer displayed was of a high order. Celtic's leading scorer had scored, two minutes after the interval, when inspired Celtic put on a power attack that had the crowd in an uproar.

After the goal was scored Celtic had the advantage but they were worried by occasional Motherwell sallies that on at least the occasion would have tied the score. That was when Murdoch, Celtic's forward, worked his way almost to the Celtic goal mouth and did everything, almost single-handed, except score, Goelie, Celtic's goalkeeper, and Celtic's outstanding back, McStay, colliding twice in the netting.

COAST ALL-STARS MAY PLAY BENEFIT GAME FOR TOLLERS

VANCOUVER, B. C., April 16.—(CP)—An all-star Vancouver baseball team may oppose the eastern champions, whether Windsor, Mount Allison or Notre Dame de Grace, in a benefit game for the Winnipeg Tollers in Vancouver next week. If plans formulated by Secretary Walter Hardwick of the Canadian Baseball association are carried out, the easterners are due to perform in the Canadian finals against the Blue Ribbons at Victoria during the week of the twenty-fourth.

SOUTH AFRICA WILL NOT SEND WOMEN ATHLETES TO GAMES

CAPE TOWN, South Africa, April 16.—(CP Cable)—South Africa will not send women athletes to either the British Empire games or to the Olympic games in future.

This decision was taken at the annual meeting of the South African Athletic association after discussion on the fact the team managers of the last three South African Olympic teams had all recommended women should travel separately to the male athletes.

DODGERS AND GIANTS TIE 1-1
BROOKLYN, N. Y., April 16. (AP)—The Dodgers and the Giants struggled through 14 innings to a 1 to 1 tie today in the first interborough battle of the National league season. Darkness kept them from going on to a decision.

Cap Rubeen and Joe Shantz, rival southpaws, pitched effective ball through the first 11 frames, each yielding eight hits and one run. Luque and Bell, who followed Rubeen, and Von Mungo, Shantz's successor, did about as well. Hubbell fanned seven batters.

About 32,000 fans braved threatening weather to see the first round of the traditionally better series.

REDS BLANK CARDINALS

CINCINNATI, O., April 16. (AP)—Cincinnati's Reds today humbled their old rival, the St. Louis Cardinals, by winning their first game of the season, 7 to 0.

In a splendid pitching performance, Red Luque held the Cardinals to two hits and only one man got as far as third. Two former Cards played a prominent part in the victory, Jim Bottomley scoring two runs and driving in another, while Hasey also scored one and drove in another.

Score:

Sarazen Bids Again for National Title

SARAZEN SHOT 29 HOLES IN 100 STROKES, AN AVERAGE OF 3.57142857128 STROKES PER HOLE

By AL DEMAREE
Will Sarazen repeat last year's golf triumph in the National open at the North Shore Golf Club near Chicago, during the World's fair? He may, if he's as cocky as he was last year. Just before the final eighteen in the open last year he was many strokes behind the leaders. But as he left the eighth green he remarked to the referee: "I'll knock in a deuce and come in 32." And he did.

No one will ever know Gene's exact average per hole for that famous twenty-eight-hole stretch at Fresh Meadows, which he covered in 1 to 1 hundred strokes. It figures 2.871428571428 plus. Carry it out as far as you wish and you still have that plus sign.

Town Lose

LONDON, April 16. (CP cable)—Arsenal, seven points ahead as the season draws toward its close, tonight was virtually assured of ending on top of the first division of the English Football league. A stirring contest had developed between second place Sheffield Wednesday, Aston Villa, in third, and Newcastle United, in fourth, for second honors.

Gunn's barged ahead Saturday, defeating Portsmouth 2-0 and scoring their second victory in two days. Wednesdays, up against Aston Villa, went down by the same score and saw their chances of ending on top fade. Newcastle United took a tremendous wallop from Leeds United 5-1.

FIRST HOME BEATING

Wednesday's defeat Friday by Arsenal robbed Saturday's game of much interest but 17,000 spectators turned out to see them take their first home beating of the season. Villa showed themselves superior almost from the opening whistle, although their defence was given a tough ride during the early stages of the contest. Morton, in the Villa goal, played a marvellous game. Wood put the visitors one up just before half time. Villa came back after the interval with a fine display of combination and accurate passing to increase their lead by Brown.

GUNNERS SCORED BOTH THEIR GOALS

In the first half of their game against Portsmouth, although their attack lacked something of its usual punch. The ground was very hard. The first 15 minutes saw an even tussle with both goals threatened repeatedly. Finally Lambert, bored through to notch Arsenal's first tally and Bastin followed shortly before the interval.

LEICESTER CITY LOSES

Leicester City struggled valiantly to get out of the cellar and away from danger of relegation to the second division but lost for the second time in a row, this time to Manchester City 4-1.

Stoke City and Tottenham Hot-spurs stayed in that order at the top of the second division, separated by only one point. Both won their games Saturday, Stoke taking Chesterfield 2-1 and Spurs beating Swansea Town 2-0.

FINAL SHUTTLE GAMES TONIGHT

Semi-Finals in Morning and
Afternoon

Today will see the wind up of a successful Kootenay badminton tournament, the second affair held in Nelson in as many years. The games will be strictly semi-final and final events with a number of consolation matches.

Play during the weekend brought forth some brilliant exhibitions and several unexpected upsets and those today promised to be even more keenly contested.

Today's program is as follows:
Morning commencing 9 p.m.—Men's consolation semi-finals, two games, and the final; ladies' consolation semi-finals, two games, and the final; ladies' "B" singles, final; men's "B" singles, final.

Afternoon, 1 p.m.—Semi-finals will be played in the men's "A" singles, men's "A" doubles, ladies' consolation semi-finals, two games, and the final; ladies' "B" singles, final; men's "B" singles, final.

Evening, 7 p.m.—Finals in "A" section; and ladies' men's and mixed "B" doubles.

Boston Cubs Win Can-Am Puck Title

Out-Speed Philadelphia and
Win Fifth Game

PHILADELPHIA, April 16. (AP)—Boston Cubs tonight held the Canadian-American Hockey league championship after out-speeding the Philadelphia Arrows, 4-3 in the final tilt here Saturday.

Pinkie Davis, slashing Cubs' forward, registered the winning goal in 13:40 of the closing period, receiving a double-pass from Chick Benson to Joe Jervis to himself after the trio skated the Arrows defence line and skated almost upon Goelie Willie Cude.

The score broke a deadlock that existed from midway of the wild season—20 minutes of the roughest hockey ever seen in the Philadelphia arena. Two men were knocked out in the second session, four goals were scored and six penalties were meted out.

The championship series went the full five games, with the Boston Cubs coming courageously from behind after dropping the first two on Philadelphia ice. The Cubs displaced the Providence Reds as titleholders.

SLIM WILLIAMS TO STAY UNTIL MONDAY AT PRINCE GEORGE

PRINCE GEORGE, B. C., April 16. (CP)—Slim Williams, en route with his party of wolf dogs from Alaska to the world's fair at Chicago, will probably remain here until Monday to rest up the sore feet of his team. He has not yet put moccasins on them, as he had planned at Fort Fraser, but may do so here.

YANKS NOSE OUT ATHLETICS

Win on Gehrig's Homer;
Cleveland Beats Browns
for Third Win

GEHRIG'S HOMER GIVES YANKS FOURTH STRAIGHT
NEW YORK, April 16. (AP)—"Law-rupin Lou" Gehrig's third home run of the season was just enough to win for the Yankees today as the world's champions turned back the Philadelphia Athletics 5 to 4 for their fourth straight triumph. Gehrig made his clout with Babe Ruth on base in the first inning. After that the A's had the better of the going except when Rube Walberg's wildness had them in trouble. They had an 8-7 edge in the hitting.

Don Brennan, leading pitcher of the International league last season, made his first start for the Yankees and went along well until the eighth inning. When he started to "blow" Willy Moore came in and stopped the Athletics in their tracks.

Score:
Philadelphia ... 000 012 010—4 8
New York ... 201 030 002—5 7
Albers, Freitas and Medjeski; Brennan, Moore and Dieker.

CLEVELAND WALLOPS THE BROWNS

ST. LOUIS, Mo., April 16. (AP)—Cleveland won its third straight game of the season here today 7 to 1 from the St. Louis Browns, who there-by met their third consecutive de-feat. The victory may have been expensive for the Indians as Wes Ferrell pulled a tendon in his shoulder in striking out Burns in the seventh inning.

Cleveland ... 000 010 001—7 13
St. Louis ... 100 000 000—1 6
W. Ferrell, C. Brown and Spencer; L. Brown, Knott and Ferrell.

RANGERS LEAD BY 4 POINTS

Have a Game in Hand on
Second Place Mother-
well

GLASGOW, Scotland, April 16.—(CP Cable)—With the end of the season only two weeks away Rangers tonight held a four-point lead in the first division of the Scottish football league, with a game in hand over second-place Motherwell.

Only five games were played on Saturday. Rangers added a point to their total by playing a 1-1 tie with Aberdeen and Cowdenbeath tied East Stirling 1-1 to make sure of a place in the big circuit next season. Johnstone put Aberdeen in the lead with a smart goal that Smith equalled. The game was rough and fast, although neither side showed much in the way of football. Hamilton Academicals tied 2-2 with Lowly Morton.

The whole day's games brought only two victories. St. Mirren beat Ayr United 5-1 and Dundee defeated Partick Thistle 1-0.

Hibernians 1-0 victory over Dunbarton kept them well in the lead by met their third consecutive de-

ROWERS WIN RUGBY GAME

Lucas Scores Touch and
Vance Converts With
Four Minutes to Go

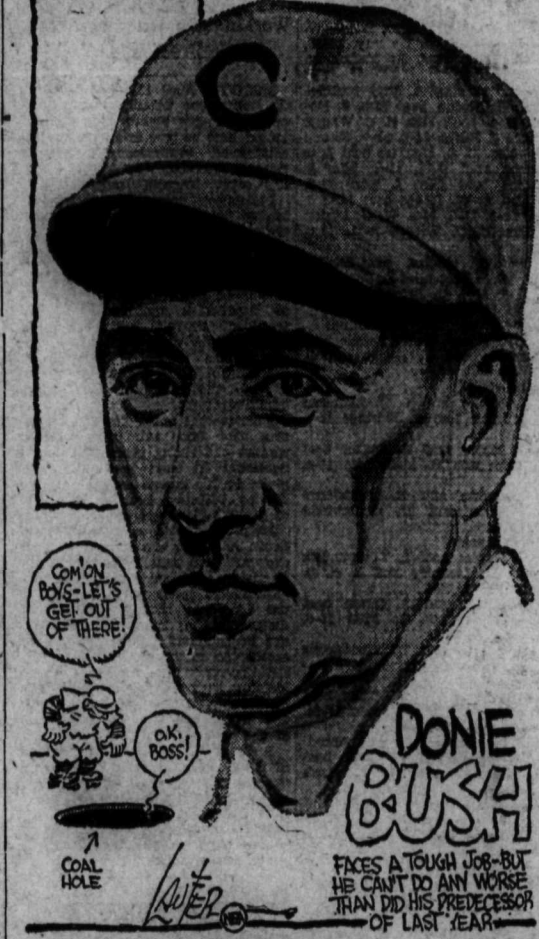

With 4 minutes to go in a game which had been generally slow, Don Lucas picked up a stray ball in Rugby Club territory and ran the remaining few yards for a touchdown and the tying points of the game between the Rowing Club and the Rugby club. Bill Vance converted, putting the Rowers in the lead by one point, 7 to 6.

In the early part of the game both teams made 1 point on deadline kicks. The Rugby club seemed to function a little more smoothly than their opponents but neither team was able to organize plays that would produce touchdowns.

The Rugby club took the lead in the second quarter when a kick by Vance. Rowing club quarterback, bounced off the back of one of his teammates. It rolled back over their own line to be smothered by Paul Brooks, netting 5 points for the Rugby club. They held this lead until the last quarter when Lucas changed what looked like defeat for the Rowers to probable victory.

Forward passes were eschewed freely throughout the game, though only a few of them were converted, the most of these being: Stevenson to Binnaman, Smilie to Stevenson, and Smilie to Dolphin. Each of these passes netted about 80 yards for the Rugby club. W. Frene refereed.

Cincinnati Cinch Bet For Cellar

NEW YORK, April 16.—Donie Bush, who won a pennant at Minneapolis last year, overlooked one trifling detail when he returned to the National league to manage the Cincinnati Reds. He should have brought his Minneapolis team along.

Closely scrutiny of the assortment of stuffed uniforms handed to him in the guise of a ball club revealed to the beetle-browed little boss that he has four ball players on his hands.

These are Red Lucas, Chick Hafey, Jim Bottomley and Ernest Lombardi. Lucas is a pitcher and one of the team's best hitters. Hafey, upon whom the imprint of age is beginning to appear, is an outfielder. Lombardi, tall-hitting Italian boy from the Pacific coast, is a catcher. Bottomley, obtained from the Cardinals, is a first baseman.

Sparing you all the pain possible, here briefly is an inventory of the other chattels of the Cincinnati Reds:

The infielders are Durocher at short, Grantham at second and either High or Morrissey at third. Durocher, Yankee castoff, is the defensive ace of the outfit, but never quite found out what a bat was for. Grantham can hit, but his favorite fielding stunt is to let ground balls roll through his legs. Morrissey and High are Three-Eye league ball players.

Now for the outfield: Hafey is in left, and Hafey is a hitter, even though he's reaching the point where his legs are not so hot. Johnny Moore, Tally Douthit, Harry Rice and Wally Roettger are the other

CATHOLICS AT MANY MASSES

Father Joye of Gonzaga Assists Father J. C. McKenzie

Wester services at the Church of Mary Immaculate culminated a notable Easter period for the Catholics of this parish, which included on Good Friday the "three hour service," corresponding to Christ's agony on the cross, when Rev. F. J. Joye, S.J., professor of English and French at Gonzaga university, Spokane, preached seven times, on the seven words from the cross.

The Resurrection theme inevitably dominated the masses, which comprised the Easter morning services, and which had a great aggregate attendance, the number of masses being this year enlarged to three. Very Rev. J. C. McKenzie, parish priest, officiated at the low mass, at 7:30, and at the first high mass, at 9. On the first occasion he developed the theme, "The Resurrection of Christ a Pledge of the Resurrection of Men," and on the second, when his congregation consisted of children, he dealt with the same idea in similar terms.

Father Joye officiated at the high mass at 10:30. The main divisions of his sermon were that Christ's Resurrection was a proof of the resurrection of men, that it constituted men's hope of a future life, and that as the Risen Christ was the consolation and happiness of His friends who knew him in the flesh, so He was for His followers today.

At the service of benediction in the evening, Father Joye was again the preacher, discussing "Perseverance." Christ, he said, gave His followers the means of persevering. His sanctifying grace, with which God clothed at the morning the souls of those worshipping, was not a garment that wore out, but was meant for eternal life. Christ by His sacraments and the church gave His followers the means to preserve this sanctifying grace.

LONDOS STILL CHAMP

NOTED BOW JUDGE RETIRES

Sir Charles Biron, London's Chief police magistrate, who has sat at Bow street since 1920, has retired. He has been succeeded by Graham Campbell, hitherto assistant police magistrate at Bow street.

It is undoubtedly the most celebrated police court in the world. The preliminary hearings of major offences against the state are invariably heard here. It was at Bow street that Dr. Jameson first appeared, following the historic trial. The position of chief magistrate is one of considerable dignity, and the holder invariably nowadays receives the honor of knighthood.

Intermediate Ball League on the Rise

Junior Leagues Likely to Pass Out of Existence Tuesday Night

Local baseball players will hold a meeting at the city hall at 8 o'clock Tuesday evening to organize for the 1933 season, when in all probability the junior league will pass out of existence and a fast intermediate league will take its place. Such a league will sponsor the local Junior "Rep" baseball team, and a juvenile section will also be organized. Considerable trouble was experienced fielding four junior teams last season and many older players were recruited to all teams in the latter part. "Trail" also experienced the same trouble and their local junior league was never finished, and this season will run a city league instead and like Nelson will include the Junior "Rep's."

Considerable interest is already taken in the proposed city league and signing of players has been going ahead for the past two weeks or more, and considering the players already signed a fast league is assured.

FAIRVIEW BALL CLUB ORGANIZED

May Put Two Intermediate Teams in League

The Fairview Athletic club held a meeting at the Avenue Service station on Friday night to organize for the 1933 baseball season. While nothing definite was decided as to what teams will be entered until after Tuesday night's league meeting, Fairview will field at least one and probably two teams in the local intermediate league. If a juvenile section is organized Fairview will also enter a team.

The following players are available with Steve Smith, junior league association of last year, heading the list. A. Farnham, G. Haines, J. Rothery, Cliff Smith, H. Renwick, A. Bishop, C. Baker, A. Langill, L. Skinner, P. Powell, Bud Cooper, S. Spiers, M. Waterer, L. Hawkins, D. Spiers, D. Jarrett, T. Anderson, S. Parker, J. Bishop, W. Morgan, G. Marquis, H. Chapman, G. Fawcett, A. Josselin, J. Houston, A. Ringrose, E. Waterer, E. Langill, W. Chrisop and J. Haines.

ment of the national resurgence." Here and there one may occasionally mention of the former Kaiser. Oddly enough some Socialists even are said to be looking rather wistfully towards the prewar Imperial days.

HITLER OVER ALL
However, little files do creep into the soothing balm. To the dismay of the authorities some unappreciative radio fans are securing better sets so they can tune Hitler out and tune foreign programs in.

And the scene presents curious delights. A Nazi paper in the Rheinland thoughtfully advises its readers that all its advertisements are free from Jewish taint. The published Nazi entrance form requires the applicant to be of non-Jewish descent. A booklet on the "Practical" one of Berlin's main thoroughfares, has pasted on its window a notice threatening legal proceedings against anyone who states it employs Jews.

The lethal chamber idea has been applied to book worms. A librarian in charge of valuable books at Pasadena, Calif., has devised a gas chamber in which all the volumes are submitted periodically to a de-worming process.

COLOR AND SPEED FEATURES OF QUARTER-FINAL STAGES, KOOTENAY SHUTTLE TOURNAY

Several Players Successful in Three Events; Several Upsets

As play narrowed down to the semi-finals and in one case to the final, amazingly keen competition with several unexpected upsets featured the Sunday session of the second annual Kootenay badminton tournament which concludes here today. As the players fought out for a berth in the finals three-set games were frequent and plenty of color and skill exhibited.

Hector Mackenzie provided one of the upsets. Weary from a smiting match with E. Price he dropped a hard fought game to Monty Morley in the quarter-finals of the men's "A" singles. Although eliminated he extended Morley to three sets. Morley also reached the semi-finals in the consolation mixed doubles.

R. N. Taylor and I. V. Saunders missed through to semi-finals of all three events in "A" section. Miss A. W. Idiens and Mrs. H. S. McTier who partnered with the two men also were unbeaten in three events last night.

One of the outstanding ladies' matches was that between Mrs. E. C. Wragge and Mrs. W. G. Eason, the former losing out after leading 10-4 in the third set.

Miss F. Wade beat Miss L. Desjardins and Miss M. Brown beat Miss E. W. Price in the finals of the ladies' "B" singles.

Roy McKenzie was still in the running in two "B" events Sunday evening, pairing with A. H. Wilson. He prodded through to the finals of the men's doubles and with Miss J. Ferguson swept through the mixed doubles in an easy fashion. Playing in the quarter-finals they won 15-12, 15-0.

The games in many instances were especially torrid as the players went into long rallies. Saturday the games were played at the junior high and on Sunday all games were played at the legion. Both days the seating capacity of the floors was taxed by the large number of spectators in attendance.

Men's "A" singles, second round—M. Morley beat E. Chapman, 18-17, 15-9; E. Price beat R. D. Hobson, 15-8, 15-2; R. N. Taylor beat E. Chapman, 15-1, 15-2; A. M. J. V. Saunders beat B. Monteleone, 15-3, 15-10; E. Bush beat C. Miller, 15-4, 5-15, 15-10. Quarter-finals—M. Morley beat H. Mackenzie, 3-15, 15-17, 15-11; R. N. Taylor beat G. S. Price, 15-2, 15-2; I. V. Saunders beat W. E. Bush, 15-12, 15-4; A. M. J. V. Saunders beat R. Quinn, 15-10, 15-16.

Men's "B" singles, first round—K. Gunn beat W. J. R. say, 15-16, 15-0; H. Long beat L. McEachern, 15-15, 15-3, 15-9.

Ladies' "A" singles, first round—Mrs. W. G. Eason beat Mrs. S. Mcintosh, 11-4, 11-8; Mrs. E. C. Wragge beat Miss J. Burns, 11-3, 11-7. Second round—Mrs. H. S. McTier beat Miss J. Burns, 11-2, 9-11, 11-3; Mrs. A. W. Idiens beat Miss I. Kerr, 11-3, 11-2; Mrs. A. W. Idiens beat Miss J. W. Idiens, 11-1, 11-8; Mrs. W. G. Eason beat Mrs. E. C. Wragge, 2-11, 11-8, 15-12.

Ladies' "B" singles, semi-finals—Miss F. Wade beat Miss L. Desjardins, 11-5, 11-5; Miss M. Brown beat Miss E. W. Price, 11-5, 11-9.

Men's "A" doubles, first round: C. S. Price and H. Mackenzie beat R. Reisterer and J. Reisterer, 15-9, 15-3.

Second round: R. N. Taylor and I. V. Saunders beat C. Miller and A. Edridge, 15-5, 15-8.

A. M. J. V. Saunders and R. Quinn beat C. S. Price and H. Mackenzie, 15-4, 15-5.

SOVIET GRASPS MORE POWER

Workingman Will Lose What Little Freedom Is Left

MOSCOW, April 16.—Further drastic limitations upon the individual working man's rights may be expected here as part of the regime of heightened revolutionary vigilance recently announced by Joseph Stalin and other Kremlin leaders.

Legislation passed several months ago to "discipline" Russia's growing army of industrial workers will unquestionably have teeth put into it and enforcement will be made more uncompromising. That legislation, it will be recalled made it possible to deprive a workman and his family of food, job, books and home for a single day's unjustified absence from work. It also placed the control of food supplies directly into the hands of the factory administrations.

Perhaps the most candid indication that force will be used even against the ruling proletariat where necessary to raise production was given in his recent speech by Vladimir Molotov, Premier, and one of Stalin's closest associates.

Molotov quoted a passage from Lenin in which the "father of Bolshevism" had said that where productivity of labor demands it the government must not hesitate "to use force, so that the slogan of dictatorship of the proletariat may not be muddled by the practice of anarchic methods by the proletarian power." The emphasis was on Molotov's quote that is immeasurably significant for the everyday living and working conditions of the masses.

Perhaps the outstanding paradox of this nation's social system is the contrast between the exaltation of the workers as a class and their lack of freedom as individuals. Their personal lives even will be further subordinated to the needs of the Soviet undertaking.

Canadian Runners Dominate U.S. Meet

Pearson and Edwards Lead Way at Buffalo

BUFFALO, N. Y., April 16. (CP).—Canadian track stars were on their way home tonight with major honors won at the second revival of the Shrine games here. Led by Phil Edwards and Bert Pearson, Canadians dominated the track events held at the 174th Amory.

Pearson sent the Canadian contingent off to a flying start when he annexed the 100-yard handicap event in the fast time of 10 seconds flat and was followed closely by J. Smith, Toronto speedster.

Lanky Phil Edwards then boosted the Canadian colors to the mast-head when he ran Milton Sandler, world indoor 60-metre record-holder, into the ground in a special 600-metre exhibition race. Both runners attempted to smash the record for that distance and the 660-yard race for which a special tape was strung but fell short of the mark.

Relay clubs from Hamilton, Ont., outdistanced the field in the one-and-one-quarter-mile relay, won by the Hamilton Olympic club with the runners of their intra-city rivals, the C.O.P. club, a close second. The Achilles club of Toronto was third.

GRADS WIN THE WESTERN TITLE

Finish Off the Province Girls 74-42 Making Total Round 168-100

EDMONTON, April 16 (CP).—Although they scored more points against the Grads than any other senior women's basketball team that has ever met the champions, Vancouver Province girls were defeated here on Saturday night in the final of a two-game series for the western Canadian women's basketball championship. The final score being 74-42. On the round, the Grads won 168 to 100. That too, incidentally, is probably a world's record for a score in any basketball series.

Grads, as in the first game, shot early into the lead last night and were never headed. In the final period, the Vancouver girls put up a terrific struggle, but were never quite able to give the Grads a battle.

Betty Passerini and Kay Annan, were the outstanding sharpshooters for the losers, Miss Passerini getting 17 points and Mrs. Annan 16 points. Eleanor Downie, the little guard of the Vancouver girls, was one of the best players on the floor. She went out of the game early in the last period when she had four personal fouls called against her.

Captain Margaret MacBurney, Clara Fry, and a new star, Helen Stone, shone for the victors.
